**Re: *United States v. Christopher Peebles, et al.*, 23 Cr. 141 (VEC)**

Dear Judge Caproni:

I respectfully write to request an extension of one week, until April 14, 2023, for defendant Gilbert Huertas to satisfy the final condition of his pretrial release bond. The outstanding condition is that two financially responsible co-signers sign the bond. I was informed yesterday afternoon that the Government has interviewed and approved Mr. Huertas's two proposed co-signers, and that the only item that remains is for them to sign and swear out the bond. The purpose of this request is to coordinate the logistics of this step with the two co-signers. The Government consents to this request.

I thank the Court for its consideration of this request.

Respectfully submitted
